

# Other recreational opportunities In the Town of Holland

## Holland Sand Prairie

Open to the public. Located on County Road MH (McHugh Road) directly across from Garden Street. Trails and benches are scattered throughout the 61 acre prairie. Foot traffic only, no motorized vehicles.

## Holland Bike Trail

Open year round to the public. Trail starts at the corner of Holmen Drive and Main Street and continues north to Sylvester Road approximately 4 1/2 miles. No motorized vehicles allowed.

## Van Loon Wildlife Area & McGilvray (Seven) Bridges

Open to the public year round. Access and parking available off Amsterdam Prairie Road (both east and west side of road). The trail from the first bridge to the sixth bridge and back is 3.7 miles in length. Van Loon can be accessed by foot or boat from numerous parking lots and a boat landing along Hwy. 53

## Black River Access

Public access can be found at either the boat landing on Highway 35 just west of County Road XX or south of Hunter's Bridge (entrance off Oak Drive, west of Highway 53).

## Town Parks

There are various Town parks scattered throughout the township. All parks are open to the public during daylight hours. Pets are allowed if leashed and "doggie doo" cleaned up.

*August Prairie Park*, located at Country Avenue in the August Prairie subdivision, has a 1/2 basketball court, a soccer wall and play equipment.

*Dresen Park*, located on Meadow Way in the Country Estates subdivision, has play equipment, baseball field and park shelter (*available on first-come basis*).

*Gaynor Park*, located on St. Croix Avenue in Gaynor subdivision, has play equipment and a small baseball field.

*Hammes Park*, located in the Prairie Woods/Prairie Meadows subdivision, has a walking trail and park shelter (*available on first-come basis*) with play equipment.

*Hidden Prairie Park*, located on north side of Old NA, was platted in 2020 and the development is in the building stages. The designated park area will be developed at a later date.

*Holland Estates Park & Flury Field*, located on Ducke Drive in the Holland Estates subdivision, has a shelter house (*available on first-come basis*) and play equipment with a recent installation of a baseball field and soccer field.

*Stephenson Farmstead Park*, located on Amsterdam Prairie Road, to the east of the entrance to the McGilvray Road state park, was donated to the Town in 2020 with a parking lot installed early 2021. Walking trails and historical interpretive signs highlighting the old farmstead.

*Town of Holland Park*, located on County Road MH next to the Town Hall, has two baseball fields, two volleyball courts, horseshoe pits, sledding hill, play equipment for all ages and three park shelters (two available by reservation and one on a first-come basis). A zipline and ninja equipment were installed in 2020-21.

*Wildflower Park*, located on south side of County Road MH to the east of the Town Hall, has a parking lot (used for event parking) and open field with border trees were planted in 2019. The designated park area will be developed at a later date.
